WELCOME

On behalf of the Asia Pacific Section of The Chartered Institute of Brewing and Distilling (CIBD) and as Chairman of the 38th CIBD Asia Pacific convention Hobart, we invite you to be part of this memorable event in Tasmania.

This convention will provide a wonderful opportunity to connect face to face with old friends and colleagues and create new friendships among members of our brewing and distilling community, whilst being enlightened with knowledge and new technologies associated with our industry.

Our theme for the 2025 Asia Pacific Convention is **“The Power of Adaptability – Creating great beverages in a changing market”**. Exploring the sub themes of innovation, provenance, local to global, premiumisation and quality and the impact of a rapidly changing world.

Our main agenda is to deliver an exciting technical and social programme for local, national, and international delegates involved in the brewing, distilling and associated industries. This will be a three-day convention from Tuesday 4th to Thursday 6th March 2025, with opportunity to visit the Tasmanian hop harvest in progress and experience local distilleries during the week.

The last Hobart convention was held in 2006 and since then our city and Island has grown and developed a vibrant scene of distilling and craft brewing that is on par with, if not the best in Australia.

Tasmania has a lot to offer delegates at the 2025 CIBD Asia Pacific Convention. Rich food, amazing scenery and nature plus a smorgasbord of beers and distilled spirits that is second to none. We invite people from the region and overseas to plan ahead and make the most of being in Tasmania in March 2025.

We're looking forward to sharing the deep history of Tasmania's brewing and distilling scene. Cascade is Australia's oldest brewery, established in the foothills of Kunanyi (Mount Wellington) and continues to produce fine brews in Hobart. The Godfather of Australian distilling, Bill Lark established the now famous Lark Distillery in Hobart in 1992 and the historic hop fields of Tasmania's Derwent Valley will be flourishing at the time.

This history sits alongside the dynamic emerging beverage scene in Tasmania, that has grown from the creative minds of cutting-edge brewers, distillers and cider makers in Australia's Island State. There is certainly no shortage of opportunities to experience this incredible emerging scene.

Tasmania stands as a unique and captivating attraction. Its unparalleled natural beauty is a prominent draw, with pristine wilderness, rugged coastlines, and ancient rainforests that shelter unique flora and fauna, including the elusive Tasmanian devil. The island's diverse landscapes range from snow-capped mountains to white sandy beaches, making it a paradise. Tasmania's rich cultural heritage, reflected in its convict history, indigenous traditions, and vibrant arts scene, adds a distinctive layer to its appeal.

The island's culinary scene is celebrated for its fresh, locally sourced produce, and its wine makers, distillers, and brewers are known for producing world-class beverages. Whether you seek adventure in the wilderness or a taste of Tasmania's rich culture and cuisine, this island offers a diverse array of experiences for travellers.

The home for the event will be in Hobart at the Hotel Grand Chancellor on the banks of the Derwent River, with trips out to some iconic venues in Hobart surrounds.

We look forward to welcoming you to the event.

ABOUT THE DESTINATION

HOBART, TASMANIA

In Hobart, you can see world-renowned art, eat freshly caught seafood and climb a mountain all in one day.

The Tasmanian capital of Hobart is a dynamic city that surpasses expectations at every turn. Australia's southernmost capital is brimming with history and bursting with creativity (hello MONA). It boasts an incredible food and wine scene with local produce making the short journey from farm to table and is fringed by scenic wilderness.

It sits at the southern end of the island, on the edge of the River Derwent. It is a port town that dates back to early explorers and convicts sent here for stealing rams. Water runs deep – it's the second deepest port in the world but also offers a myriad of waterways that please the sailor who has navigated a globe of oceans. Calm rivers, spinnakers of energetic colour across the Derwent and secret coves. It's also home to the finish line of one of the world's greatest blue water ocean races, The Rolex Sydney to Hobart.

ABOUT THE VENUE

THE HOTEL GRAND CHANCELLOR

Experience exceptional comfort and service while being perfectly positioned directly on Hobart's waterfront. Hotel Grand Chancellor offers breathtaking views of the Hobart Harbour, city surrounds and Mount Wellington (kunanyi).

Our central location means we're a short walk from the city and all major attractions such as Salamanca, Battery Point, the shopping precinct and the MONA ferry.
